PROFESSIONAL SUMMARY

Highly dedicated and dual-licensed Registered Nurse (RN) and Registered Midwife (RM) with over two years of full-time clinical experience at Apollo Main Hospital, Chennai. Skilled in acute and multi-system adult care, emergency response, and evidence-based nursing. Experienced in managing critically ill patients with renal, neurological, cardiac, oncological, and multi-organ trauma. Recognized for maintaining infection control standards, accurate medication administration, and effective interdisciplinary collaboration.

PROFESSIONAL EXPERIENCE

Staff Nurse (Registered Nurse)

Aug 2022 – Sep 2024

Apollo Main Hospital, Chennai — Multi-Specialty Unit

Delivered comprehensive care in a 550-bed tertiary hospital, managing critically ill adult patients with complex disorders.

Ensured infection control compliance and maintained a zero-medication-error record.

Assisted physicians in emergency procedures, post-operative care, and dressing management.

Administered IV therapies, blood transfusions, and drug regimens with consistent monitoring.

Supported junior nurses and interns, fostering teamwork and evidence-based practice.

EDUCATION & CLINICAL TRAINING
